

The most important appointment on his agenda.

In just one day you can help students realize their full potential, inspire them to succeed and prepare them with real life skills. Junior Achievement volunteers are given hands-on, interactive activities to make it easy to change lives.

JA in a Day

DATE | SCHOOL, CITY | START TIME a.m. – END TIME p.m.

Your skills. Their future.

In just one, half day visit you can inspire and prepare students for success. As a volunteer, you will deliver five, 30-45 minute lessons back-to-back to one classroom. You can request your preferred grade and program. All materials come with step-by-step instruction to ensure that your volunteer experience is a positive one.
