

# Impact Celebration

WE'RE ALL JA KIDS

*inspiring tomorrow's leaders*

Welcome to the James R. and Patricia Hemak Experiential Learning Center. Tonight, you'll have fun celebrating, networking, and learning throughout the entire building.

Join us in celebrating our 2020-21 JA North Laureates and Honorees. These advocates are making an impact for students and we're excited to honor them tonight.

Most of all, we want to recognize JA North students. Their incredible ideas, hard work, and creativity make them the future leaders our communities need to thrive. We can't wait for you to learn more about their JA North experiences and celebrate their success!
